

REQUIREMENTS FOR PLAYING LAZERTAG

Each participant must have a waiver on file regardless of age.

Our arena is over 5000 sq ft on three levels and we recommend participants be 7 years or older and at least 42 inches tall.

Each person entering the arena is required to purchase a mission and wear a vest.

If a child is anxious about the dark (we use blacklights in arena) they may be too young to play.

If child is upset by loud noises they may be too young to play.

Unless you have booked a private mission, you will likely be playing with people you don't know and people of varying ages.

The game master will assign teams during the briefing.

You may not play lazertag while under the influence. If we suspect you are under the influence you will be escorted from the game and no refund will be given.

Respect your fellow players.
